

THE YARD

Weddings

At Chilton Manor Farm, you will discover a hub of vibrancy and creativity within beautiful surroundings, with rustic, pared back spaces to suit a range of requirements - Just let us know your vision, and we will collaborate with you on how to achieve it!

We hire The Barn & The Loft out together, as they work well in tandem, facilitating the various different needs of a wedding celebration, and can host 100 + guests.

There is also the option of hiring the Yard and the Courtyard if you are planning a smaller wedding. We also offer the use of our Parkland as the perfect spot for your ceremony and arrival drinks.

THE BARN

The barn is a large, original agricultural space, purposefully raw and undone. It has impressive height and retains the charm and character.

At one end currently sits the iconic skate ramp, which is a unique and appealing element of the space.

The Barn is a fantastic place to gather - whether it be for eating, dancing or both!

THE YARD
Weddings

THE LOFT

The Loft is a generous room, dramatic in size and is a space which feels contained and cosy, yet more than capable of filling with a crowd. With its woven straw lampshades and original untouched two tone limewashed walls, it delivers a really interesting and inspiring blank canvas for you to design your perfect day.

*Please note that The Loft can only be accessed by a staircase.

THE YARD

Weddings

THE PARKLAND

The beautiful parkland is the perfect spot for your ceremony and welcome drinks before you move down to The Yard or The Barn for your celebration.

The Parkland has a 3 hour maximum stay.

THE YARD

Weddings

THE YARD & COURTYARD

The Yard is ideal for smaller weddings and can seat up to 40 people. The long narrow space inside the cafe lends itself to curating dramatic long tables. More guests can be accommodated if you would decide to host a stand up buffet or cocktail party, with a maximum of 60 guests, with the additional use of the courtyard for those warm evenings.
